Occasionally, (2 or 3 times a year) the congregations at Stranton and Burbank all come together for the 10.30am service, and this is followed by a bring and share meal.

## **Wednesday Morning**

**10.00am.** Holy Communion (Book of Common Prayer)  
at St Matthew's Community Centre.

**Please note that the next Messy Church will be on 19th May 2019  
and will continue to take place on the Third Sunday of each Month**

# The Power of Prayer, Stillness and Presence

Trinity once said that 'our life was like one big God adventure.' It made me smile because she was right, we're all called to be part of it. I believe that partnership begins, ends and is sustained with prayer, in that place of stillness where God's presence sits easily.

As I look back over the past year, I do so with a grateful heart and a spirit full to bursting. I am reminded of my first trip to Hartlepool and the powerful sense of God's presence I felt. I began to cry during my trip here that day. They were tears of sheer joy, because I knew Trinity and I were being released back into God's hands, rooted into his family. I cannot even begin to tell you the depth of certainty that Trinity and I felt about our calling to this wonderful town and its beautiful people.

On a personal level it has been a challenging few months, but God's Grace and Peace have remained steadfast for me and my family. Prayer has been the blanket that has covered us, it has brought grace, peace, comfort, reconciliation and joy beyond any of our imagining. It is enabling us to own our sadness and grief and hand it gently, bit by bit to our ever-loving Abba Father. For this we, as a family, are so very grateful.

But even greater than this, I know that the prayers of the faithful have brought my beautiful mum and little brother back from the brink of death. I know this because I truly, truly believe in the power of prayer. I have seen and heard of too many answered prayers to have any doubt about that fact.

The phrase that is ruminating within me as I write this article is, 'all I can do is pray'; as if prayer is a last resort, as though it comes last after all of our attempts to find a solution, a way forward, have failed... I cannot tell you how often I fall into that trap! Let's pledge to watch out for one another, share God's story in our lives more often, look for the Risen Christ always and love and pray from that place of stillness and presence.

I know that God has great plans for us as we move forward into the next stage of our Kingdom Journey. So let's help each other remember the importance of prayer and the power of the resurrection in and on our lives. I look forward to this new season, as we come together into our newly anointed and licensed group ministry. I am excited about what God will do through and amongst us as we journey with each other. My prayer for all of us this Easter is that we remember the power of prayer, in that place of stillness where God's presence sits easily.

# **Mothers Union**

Looking back at Durham Diocese Newsround, our quarterly magazine, I was reminded of our theme for this year - MU listen, observe, act in step with God. We haven't taken part in this M.U.L.O.A. review yet and I will try to get this arranged soon.

Easter has passed with the sorrow of Good Friday and the joy of the Resurrection. On Palm Sunday the donkeys came to our church and the lovely miniature one reminded us of the humility of Christ choosing such a despised beast to carry him into Jerusalem. I can remember seeing donkeys in Israel, still not really cared for. The donkey that came to church was immaculate and carried his pack of Palm Crosses with care and calm.

Many of you who receive the MU revamped 'Families First' hopefully enjoyed it's new format – much smaller in size. I read it from cover to cover after originally being concerned about the changes! Do read it. The item about the Board of Trustees – how they came into MU and what they feel about Supporting Community is both interesting and informative.

Thank you to Canon Norman Shave who led our Lady Day Service at St Aidan's Church. Norman spoke of changing roles as we age and how God still calls and is able to lead us to help and support and witness in our church and community. Thank you to Katherine, the church administrator, who opened up St Aidan's and helped with the catering afterwards.

MU is also working in collaboration with the Clewer Initiative to end modern slavery by 2030. This is a project driven by the Church of England to detect modern day slavery within the communities and to help provide victim support and care. I'll bring more information on this to our next meeting.

Dates for your diary:

Indoor Members Prayer Circle Service at Durham Cathedral

Wednesday 8<sup>th</sup> May at 2.00pm.

MU at St Matthew's CC

Monday 13<sup>th</sup> May at 1.30pm.

Festival Service at Durham Cathedral on Monday 3<sup>rd</sup> June at 2.00pm.

Please continue to pray for our members who through illness have been unable to join us recently and for our church community in this time of change. Please pray for our town too.

God Bless

## From the Home Front

I have just spent Holy Week visiting in the South of England. It was lovely to spend time with our son and his wife in their new home as they prepare for the arrival of their first baby. We enjoyed a day in the georgian city of Bath, where my other half and I thoroughly enjoyed the architecture and our first foray into a city we had never visited before. We continued over to Surrey to visit friends near where we used to live. We spent time in the sunshine visiting the stunning RHS Wisley Gardens, where the blossom trees looked beautiful. Then onto Bluebell Woods at Hatchlands – magical. A visit to the Muslim War Memorial Peace Garden was a quiet tranquil retreat from the bustle of the world around us. The countryside was bursting with new growth, the area was affluent and amenities were plentiful.

On our return to Hartlepool we popped into Sainsbury's in Murray Street and had a rude awakening to the reality of other people's lives here in the area where 'Skint Britain – friends without benefits' was filmed. As we were leaving an unkempt, gaunt man walked purposefully towards the store exit with a bulging carrier bag, but he was challenged by an assistant at the door. On being asked to show what was in his bag he shouted, 'I've paid for it..' and in the ensuing argument and the tussle that took place, the bag ripped and 6 or more packs of bacon fell to the floor and the man rushed out leaving the assistant shaken but unharmed. He was trying to shop lift – bacon is a typical easy steal, which can be sold quickly for cash to feed addictions.

The realities of this side of life are often unknown to many people in the affluent home counties – but we see it almost every day here in the North. We saw only 2 homeless people during our week away – but 3 or 4 in one trip around the shops in the town centre here!

These sharp contrasts brought me up short. It came to me again that Jesus reminded us that the poor would always be with us - yet he told us to treat others as we would wish to be treated; to love our neighbours; feed the hungry and visit the sick and imprisoned and to entertain angels unaware...

# ANNUAL REPORT OF THE PAROCHIAL CHURCH COUNCIL FOR THE YEAR ENDED 31<sup>ST</sup> DECEMBER 2018

## FINANCE REPORT

The overall financial out-turn for Stranton Church in the year to 31<sup>st</sup> December 2018 was a small deficit of £36, (2017 deficit – £3,157), but with a continuing underlying deficit in the Church General fund, as shown below.

Financial	Church	St Matthews	Overall
Year	General fund	Community hall	Per accounts
	Deficits	Surpluses	net deficit
2017	-8957	5800	-3157
2018	-3451	3415	-36

It should be noted that St Matthew's Community Centre surpluses are agreed as available for the upkeep and development of the Centre, not as a source of funding for general Church activities.

The main reason for the deficit was a fall of 11% in overall income, mainly in total giving by regular members: analysis of the reasons for this were discussed at the PCC in October, at which we identified the underlying reason as significant change in the make-up of our congregations: we have become too dependent over the last ten years or so on a small number of generous donors, who have contributed a disproportionate share of general income: of those members, a significant number have recently died, moved away, or experienced significant change in circumstances leading to a large, permanent reduction in our annual Church income of about £27,000: over £500 per week.

Unfortunately despite some regular and generous individual revisions, for which we are most grateful, individual giving by members of the congregation has not uniformly kept pace with inflation – a common problem for Churches where bank standing orders are a main method of giving but not subject to regular uplift and review by their originators. Accordingly the PCC agreed to join a new national "Parish Giving Scheme" based on Direct Debit mandates which can allow and prompt for annual inflationary uplifts, and the Church is encouraging personal recommitment to resourcing our ministry in Stranton through that scheme, or by members revising their existing arrangements. The new scheme will speed up cash flow especially of Gift Aid tax recovery, and reduce the local administration, whilst also keeping the records completely confidential.

We are also facing inflationary increases in our parish lay staffing costs which now constitute about one third of our budget: Our budget for 2019 has therefore been set by reducing our parish share contribution to Diocesan costs (which is used to meet clergy housing and stipend costs) from £57,000 to £30,000, which would still leave a "faith gap" deficit of around £5,000, of which we seek at least £3,000 to be met by new and updated commitments.

I am immensely grateful, as ever, to those members of the Church who give so generously of their time to help with the day to financial administration, and make my job as treasurer possible, especially to Maureen Anderson (Assistant Treasurer), Barbara Butcher (St Matthew's Treasurer) and Ken Shepherd and his volunteers who organise and supervise cash counting and banking.

A copy of our budget for 2019 is set out below: this shows that to meet the projected deficit we will need increase regular giving by 9% from new or existing members, or from other sources

	Revised budget	
	<u>Church only excl hall</u>	
<b>Regular giving</b>	56,000	63.8%
Tax Claims	12,000	13.7%
Other collections and net fees	14,750	16.8%
Legacy/donations	5,000	5.7%
Hall revenues	0	
<b>total income</b>	<b>£87,750</b>	
Parish Share	30,000	32.3%
Mission: home/o'seas	5,500	5.9%
Ministry costs (families youth & Burban)	7,000	7.5%
Church running costs	9,500	10.2%
Church maintenance	750	0.8%
Hall costs	0	
Staff salaries and oncosts	33,000	35.6%
Staff housing	2,000	2.2%
Staff expenses	5,000	5.4%
<b>total expenditure</b>	<b>£92,750</b>	
<b>Surplus/(Deficit)</b>	<b>-£5,000</b>	

Our financial plans for 2019 include some important investments for improvements in amenities and accessibility in our premises: St Matthew's Community Centre has been very successful in attracting grant funding for a new kitchen and accessible toilets, £90,000 of which is shown as received and carried forward in 2018 accounts and these building works should be completed around Easter 2019. The PCC has also approved accessibility alterations in the main Church building, and has started the faculty legal process to carry out various internal works, including door and handrail changes at the front of Church and an accessible toilet and hot drinks facility in what is now the Vicar's vestry, which along with any significant expenditure to be met following our Electrical Safety Review we expect to fund from a combination of Trust Fund monies held on our behalf by the Diocese and grant applications.

### STRANTON TODDLER GROUP

The Toddler group continues to thrive in St Matthew's Hall. I run the group on Tuesdays and Clare and Lynn run it on Fridays, both from 9-11 am. It's been great to have Michelle with us too when time allows. Over recent months we have had an influx of new families, many with young babies. It's wonderful to see the children grow and develop week by week through their early lives.

The children enjoy toys, puzzles and crafts in the small hall and we have a baby area for mums with tiny ones. The children love the space in the large hall where they have fun on bikes, scooters, slides and see-saws etc.

The group is a good place for those caring for small children to meet one another, play with their children and encourage them to share and to learn new skills. There is also

plenty of opportunity for Christian adults to share God's love and care.

A big "thank you" goes to Ann who has prepared snacks week by week over the last 15 years and has decided to step down from this role. Pam is now "in charge" and has been working alongside Sarah, Sajad and Maria. Also, Peter and Norman's help in setting up week by week (with Rohan covering when needed) makes the task manageable. It would be an overwhelming job without this amazing support.

### **Julie Shave**

#### **MESSY CHURCH**

Messy Church continues meets monthly on the third Sunday from 4-5.30 pm in St Matthew's Community Centre. Baptism families are always invited and others are drawn in through other contacts: Toddlers etc. We have had a lot of new families coming in recent months

Mary and I meet together each month to plan our activities. Our sessions begin with table top games and colouring, and once everyone has arrived, we have a bible story, song and prayer. This is followed by a time for crafts and games linked to the story.

Then we enjoy tea together, where there is more time to chat with each other. It's great to see whole families learning, worshipping, playing and eating together. Several of our families have been coming for a few years now and it is great to see some of them coming to the Lighthouse Service and others to Christmas / Easter services.

We are thankful for everyone in the team and their commitment to this important work. We would welcome extra folks to help at a craft table or with washing up / clearing away. It only involves a couple of hours once a month. Do have a word with Julie or Mary if you would be happy to be involved. It is a privilege to share the love of God and our prayer is that many, both adults and children, will come to faith.

### **Julie Shave**

#### **SUNDAY CLUB**

Sunday Club takes place during the Sunday morning 10.30am service every Sunday, except the fourth Sunday of the month, which is The Lighthouse Service. Numbers of children vary from 4 or 5 to 14 or 15 plus, with an age range from 1 to 10 or 11 years!

The Sunday Club leaders and helpers (all DBS checked) are on a rota and are usually involved once a month. Kate Lawson has improved our organisation by e-mailing the rota to us all to complete, well in advance.

The leaders have decided to follow the lectionary readings as the basis for each week's session and have used their own imagination and resources to create appropriate activities for the children. Judging by the stampede for the Fulthorpe Chapel when it's time for Sunday Club, the children appear to enjoy their time there.

Many thanks to Kate, Pam, Gill, Cat, Michelle, Steph, and all our fantastic young people for making Sunday Club such a happy, fun time!

### **Mary Tones**

YF is a space for fellowship, prayer, Bible study, fun, and silly games. Each term we have had a main theme or focus interspersed with other one-off themes. The group has changed with BeFree members moving up. We have a good core group who attend weekly and are enthusiastic.

The Christmas term was focused on God and science and celebrating the birth of Jesus and a baby shower for Chloe and Jordan and a study on 1 Peter. This term we have asked the youth what they were interested in studying, so we featured a lot of different

things from the bible such as Jonah and what does the bible say about Harry Potter plus an overview of the gospels - it has been great to get a "God's-eye view" on these topics through the Bible.

It has been good that the members from BeFree and elsewhere, are settled. We are grateful for the support of the wider church community in prayer, and other ways. It has been good to have an enthusiastic team and we are thankful for the leaders who have been helping. We give thanks for those who decided it was time to teach in other area Chloe, Jordan and Luke. We are happy to have a great team on a rota basis and be able to continue the leadership of YF.

Please continue to pray for wisdom and good fellowship that builds up our youth into the people God is calling them to be!

#### BELLRINGING REPORT

2018 saw continued ringing at Stranton including quarter peals. We also had visiting teams of ringers including one team that rang a full peal.

We continued to ring as a part of the D&N Association "Ringing to Remember" activity whereby towers ring their bells on the 100<sup>th</sup> anniversary of the death of a ringer from their tower who was killed during World War One. It was also pleasing that all ringable bells in Hartlepool were rung on 11<sup>th</sup> November as part of the Armistice celebrations.

It was the turn of Stranton to host the D&N 8 bell striking competition in March. We entered a team and beat the other two entrants to win both the cup and the plate. Practice nights at Stranton have been very busy at times and this may have hampered progress.

During the year we were asked to ring for a number of funeral services and we did this by tolling a single bell before each service and then ringing open rounds and call changes following the service. We also rang for a number of weddings and for other special services in addition to our Sunday service ringing.

Progress has been made in terms of method ringing both on practice night and on Sundays. The support and patience of experienced ringers during this process has been truly appreciated. Particular thanks go to Barbara and Stephen Busby who have organised and run a number of training sessions for learners and improvers and which have been very popular.

I am looking forward to maintaining good standards of striking, adding to the range of methods rung during the year and to seeing our newest learners develop further.

### SARAH FORMALLY WELCOMED AS BISHOP OF JARROW

Durham Diocese's first female Bishop, The Rt Revd Sarah Clark has been formally welcomed to the Diocese as Bishop of Jarrow at a service in Durham Cathedral on Sunday 7<sup>th</sup> April.

During the service, which was attended by 100's of people from across the diocese and wider, The Rt Revd Paul Butler, Bishop of Durham licensed Bishop Sarah for her work as Bishop of Jarrow and welcomed her on behalf of the Diocese.

Bishop Paul said: "I am delighted to formally welcome Bishop Sarah to the Diocese. Sarah, together we have been called to serve and care for the people of Christ in this Diocese. I entrust to you the functions and responsibilities of the Suffragan See of Jarrow, as we share in proclaiming the Gospel from the Tyne to the Tees and from the Dales to the Sea'."

"I know Sarah will bring rich gifts in helping people discover and discern their God-given calling, including to ordination. She will also bring a deep commitment to our priorities of children and young people, tackling poverty together and growing the church in depth, engagement with communities and number."

Bishop Sarah said: "I am immensely proud to be here in Durham, a place that has special meaning to me through the parallels it draws to my upbringing in the coal fields of South Wales. The welcome I have received today has been almost overwhelming and I am really looking to getting out and meeting people across the Diocese."

# **Ward Jackson CE Primary Easter Celebration in Stranton Church on Friday 5<sup>th</sup> April**

The whole school walked up to Stranton Church where parents had come to hear and see the children sing and read to celebrate Easter.

Halleluiah

The school choir

Clive finished with prayers that incorporated the names of the songs and the words of the poems that the children had performed for us.

After the service the children all had juice and biscuits and the parents had tea or coffee.

It was a lovely celebration service at the end of a week when Ofsted had revisited the school. The children behaved well and left with their teacher's to enjoy a well deserved holiday.

## A View from the Pew - A Discussion Starter!!!

Occasionally at Stranton we have a joint service at 10.30am, (for example APCM) or from September probably 11.00am - which evolves into a typical 10.30am communion service and finishes around noon.

My thoughts on this are that especially if the service is going to start in the future at 11.00am, we stick to the existing morning service time, but still have an 8.30am (in future 9.00am?) as this service is generally about 45minutes long.

The advantage of this is, if you are having an AGM after the service it could still start before 12noon and also is more of a compromise with both services.

Any thoughts?

George Bainbridge

### **The call in action**

Dear friends,

After a mere four years in our house (compared to nine in our first house here) with the almost constant noise of construction work during the day and loud music from a restaurant boat, moored permanently on the river and less than 100 metres from our wooden first storey bedroom, we had had enough. Unlike our previous house – which we had left due to the arrival of the open-air karaoke bar, but with heavy hearts after much soul -searching because of the good relations we'd built up with our neighbours – we felt very few misgivings this time. It was a measure of how much the city is changing, that the neighbourhood we left this time around was far less cohesive. This was due to the construction of apartment blocks and a higher proportion of shorter-term tenancies, in place of the local family homes, which largely formed our previous neighbourhood. Now, 14 years on from when we first moved in, that neighbourhood is also almost unrecognisable, as "development" takes hold. So we have moved! Welcome to the "burbs"... still only about five km from the city centre, at least our new place is in a relatively tranquil location (for now!). The only qualification is that we have a Buddhist temple with a small community of monks as neighbours. The downside is the fact that the monks are early risers, and we mean really early. On certain mornings at 4.30am (well, we are not entirely sure of the time because we try not to take notice), they bang their absolutely massive drums to remind the locals to wake up and cook food for them. Just after 6am, the monks walk around the village with large baskets to collect the sticky rice etc that the villagers offer them as alms. The monks remind the people of their arrival by again banging on their big drum, with some gongs bashing and cymbals clashing along for good measure. The village dogs just love this and summon up the most amazing chorus of howls and yowls to join in greeting the new day! All of which is – believe it or not – far preferable to the invasive din of construction and unremarkable live music that we endured prior to this move. We praise God for his goodness in providing us with what is otherwise an oasis of calm, to find rest for our bodies, minds and souls, away from the intensifying changes affecting so much of the city. Encouragingly, it also retains some of the neighbourly feel we encountered when we first moved to this country. Please pray that we will be able to make good connections with local people and others around us. It is a busy time with church as Easter approaches.

This year is complicated by the fact that many people will be away because Holy Week coincides with the main holiday of the year here: Lunar New Year (the Buddhist rather than the Chinese version). The city stops to enjoy several days of partying, visits to temples and water fights, which can amount to a lot of fun. We have lived here long enough to have experienced the discordant culture clash of the sombre remembering of Good Friday, while all around us the rest of the city indulges in a huge rowdy party with inescapable, accompanying music blaring from all directions. Thankfully, rather than being slap-bang in the middle of the festivities, the Easter weekend comes after the bulk of the serious partying is over but many people won't have returned from their escapes. Please pray for us, that the joy of Easter and that the Good Friday and Easter Day services may be a source of real encouragement and hope to whoever is around to worship with us.

Last but not least, some family news...

- Anna has started her GCSE exams; please pray that the remaining exams go well.
- Pray for good friendships for the children and their sense of identity. Anna made an interesting comment the other day – she said that she was half Asian on the inside
- Pray for Innes as he is dissatisfied with school. He has teachers who are teaching subjects that are not their subject and, in some cases, are openly unenthusiastic about the subjects they are teaching.
- Euan won third place in a recent school spelling bee and his group, "Euan's group", won three trophies at the school science fair. It was good to see Euan taking on a leadership role as usually he just follows on and joins in rather than taking a lead.
- Eilidh has had a short haircut after a communication mishap while her dad took her for a trim. Eilidh took the mistake surprisingly well!

Love and blessings, **Katherine, Tony, Anna, Innes, Euan and Eilidh**

## Mary Baines' Recipe

### Chocolate mint mousse

Place 220g chopped dark chocolate in a small heat proof dish & stand over a pan of simmering water until chocolate has melted & is smooth – cool slightly. Use an electric whisk & beat 1½ cups double cream in a medium mixing bowl till it has peaks. Add melted chocolate to cream with 8 chopped after dinner chocolates – stir until combined. Spoon into 4 dishes & refrigerate for 1 hour till firm. Decorate with extra chocolate mints.
